AMENDMENT AND RESPONSE OFFICE ACTION

Box Amendments - No Fee Assistant Commissioner for Patents Washington, D.C. 20231

Dear Sir:

With a Petition to Revive, Applicants submitted an Amendment and Response (mailed August 4, 2000). Applicants believe that the Amendment and Response complied with the Sequence Rules, particularly items 1-3 noted by the Patent Office. Given the Petition was granted on August 30, 2000 and the Patent Office mailed the Office Action mailed November 15, 2000, Applicants assume that the Patent Office received the August 4, 2000 Amendment and Response, but evidently it was misplaced. Therefore, Applicants submit a similar amendment and response to the November 15, 2000 Office Action. If Applicants' assumption is incorrect, Applicants urge the Patent Office to contact Applicants' representative and clarify the compliance issues. In response to the Office Action mailed November 15, 2000, Applicants respectfully requests entry of the following amendment:
